PROFILE

As a proactive Computer Science enthusiast, I am eager to leverage my academic foundation and internship experience to excel in a technical role. My aim is to contribute to innovative projects, improve IT infrastructures, and develop scalable solutions while continuing my professional development.

WORK EXPERIENCE

Nyeri National Polytechnic JULY 2023 - AUGUST 2023
KNEC Examination Invigilator

- To organize and set up the exam room (laying out tables, indicating the Start and End times of the exams etc.).
- Making sure the classroom is tidy for exams.
- Frisking of students to ensure no irregularity in the exam room.
- Ensuring the student registration data is accurate.
- Invigilating the exams from start to end time of exams.

Nyeri Central Subcounty
Director of Education Office May 2023 - July 2023

ICT Intern

- Executed data entry and administrative tasks efficiently using MS Word and MS Excel.
- Provided reliable IT support, including maintenance of computer systems and network troubleshooting.
- Enhanced office operations through proficient handling of printing and documentation.
